

Although Sibelius wrote around a hundred songs over a period of more than thirty years – mainly settings of Swedish texts, with eight in German and only a handful in Finnish – they have suffered comparative neglect alongside his larger-scale orchestral and choral music. The best of the songs are essentially nature pieces, dark-hued, vividly characterized, intensely melancholic and vocally demanding. Sibelius considered them to represent his “innermost self”.

WORLD PREMIERE
RECORDINGS

Jean
SIBELIUS
(1865-1957)
Songs • 1
