Vivaldi's *The Four Seasons* are among the most popular of Baroque concertos and have inspired musicians to perform them in their original form and in many different guises. Following the lead given by J.S. Bach when he transcribed a number of Vivaldi's other concertos for keyboard, this disc presents a sparkling new version of *The Four Seasons* for solo piano by Jeffrey Biegel, complemented by equally effective arrangements by Andrew Gentile of two of Vivaldi's other beloved concertos for mandolin and lute.
