

Baron von Dittersdorf's attractive personality and inventiveness as a composer shines through in every movement of the three charming symphonies featured on this world première recording. Composed in the 1780s around the time of his famous 'Ovid' *Symphonies*, the three symphonies included here abound in brilliant orchestral writing and quirky, infectious melodies.

Carl Ditters von
DITTERSDORF
(1739-1799)
