Alongside the string quartet, the piano trio reached maturity during the Classical period with masterpieces from the pens of Haydn, Mozart and Beethoven. As a virtuoso pianist and an accomplished string player, Mozart composed several remarkable trios in which violin, cello and piano interact as equal partners, their apparently effortless eloquence the fruit of much careful preparation. This first disc of the complete trios is coupled with the charming *Divertimento*, Mozart's first mature work in this form.

Wolfgang Amadeus
MOZART

(1756-1791)
