

The music on this sixth album of the piano music of Frederic Mompou presents works recently discovered by Jordi Masó in the Biblioteca de Catalunya's Mompou Collection and at Mompou's home. The recording complements Masó's previous volumes released on Naxos (8.554332, 8.554448, 8.554570, 8.554727 and 8.570956). All were written between 1910–18 and show a highly gifted young composer whose musical idiom was already well formed. "Masó's set is the modern choice, cleanly imaginative" (*zarzuela.net*). "Masó is a strong pianist completely at home in this idiom" (*American Record Guide*).
