DalaSinfoniettan • Ulf Wadenbrandt

Swedish pop and rock with that 'loving feeling'

Fresh, new, and with that 'loving feeling'. Tunes that you are guaranteed to recognize and that go straight to the heart. Swedish pop and rock classics "symphonied"! Our instrumental versions focus on the unforgettable melodies, all the more striking in these lucid and passionate interpretations. A highly exciting project for me and a memorable collaboration with the fantastic musicians of the DalaSinfoniettan. *Ulf Wadenbrandt*
