The Naxos Deutsche Schubert-Lied-Edition: The Deutsche Schubert-Lied-Edition presents all Schubert's *Lieder*, over 700 songs, grouped according to the poets who inspired him. This final volume in Naxos's acclaimed edition includes a number of fragmentary works, some completed by Peter Reinhard van Hoorickx. This last volume in Naxos's acclaimed edition includes songs which Schubert intended to be accompanied by instruments other than the piano, and fragments and drafts for songs which are heard sometimes exactly as they have come down to us or in subsequent completions. Also included are alternative versions and arrangements of previously recorded songs.
