

Described by the composer as a kaleidoscope of fairy-tale images and designs of oriental character, Rimsky-Korsakov's symphonic suite *Sheherazade* has delighted listeners for generations. The rapturous solo violin plays the part of the slave who narrates the wonderful tales of the Arabian Nights, including the adventures of Sinbad, Prince Kalender and the Festival of Baghdad. The suite, or 'musical pictures', from *The Tale of Tsar Saltan* depicts episodes from this magical opera, from which the mischievous *Flight of the Bumblebee* is also drawn. The Seattle Symphony is one of the world's most recorded orchestras, with 12 GRAMMY® nominations and two Emmy Awards.
