Although Ermanno Wolf-Ferrari is known mainly for his operatic compositions (*La vedova scaltra* is available on Naxos CD 8.660225-26 and DVD 2.110234-35), he wrote a number of sublimely expressive and lyrical orchestral works, devoting the majority of his time in later life to composing instrumental music. The three delightfully melodic, rhythmically buoyant and, at times elegiac works featured on this recording represent his complete wind concerto output.
