

Heinrich Scheidemann's significance as a composer lies in his absorption of the influence of his teacher Sweelinck, and his subsequent forging of a new, independent style in North German music in the first half of the seventeenth-century. Volume 7 includes one of his significant settings of the *Magnificat* and presents chorales, liturgical extemporisations, and keyboard realisations of vocal motets. Also included are some brief dance pieces showing Scheidemann's lighter side.

**Heinrich
SCHEIDEMANN**
(c.1595–1663)
Organ Works, Vol. 7
