This recital offers a kaleidoscopic array of styles unified by South America's national instrument, the guitar. Titans of Latin American music such as Piazzolla and Barrios Mangoré are represented, but so too are distinctive composers less well known outside of their own countries. Genres such as *milonga*, Venezuelan waltz and *choro* are featured, in music suffused with lyric melancholy and vivacious, biting rhythms. 'His musicianship is unimpeachable, his fleet technique is world-class' wrote *American Record Guide* of Graham Anthony Devine (8.554195).
