The 'My First' album series from Naxos is the ideal springboard for a lifelong journey through classical music. Each selection is carefully tailored for younger listeners and includes famous tracks as well as unexpected gems. The booklet is full of information on every piece of music. Unique and imaginative, these CDs will open a door to a wonderful world that children and parents can discover together.

Listen to the piano turn into a bumblebee, a donkey, trolls, a bird, a horse and a butterfly! Sometimes it isn't anything except a piano, but the music coming out of it is exciting and beautiful. Can you spot *Twinkle, Twinkle, Little Star*? Mozart makes it twinkle in all kinds of different ways. There are so many things to enjoy here, and all from one amazing musical instrument: the piano.
