

# My Playlist for Gardening

The garden is a magical place to spend a day, and this playlist of cultivated classical pieces is the perfect accompaniment to working amid the flowers and foliage. Hear the sun rise in Grieg's exquisite *Morning Mood* from *Peer Gynt*, waltz among the flowers with Tchaikovsky and watch the sparkling *Fountain Dance* with Elgar before drifting into the *Haze of Noon* with Alwyn. In the afternoon, shelter from the shower with Debussy and listen to the *Birds in the High Hall Garden*, exquisitely brought to life by Julian Lloyd Webber, before Gibbs' *Dusk* falls.
