My Playlist for Sewing & Knitting

Knit one, purl one...and press play on this album of specially picked classical works, stitched together to create a musical tapestry of pieces to sew and knit to. Lay out a pattern for a *New Dress* with Waxman, thread *The Sewing Machine* with Ibert, cross and twist the bobbins on the lace pillow with Johann Strauss I and prime *The Darning-Needle* with Boris Tchaikovsky. From the sublime *Fantasia on Greensleeves* by Vaughan Williams to the delightful *Valse* from *Coppélia* by Delibes, this playlist is the perfect accompaniment to needlework.
