Xiaogang Ye is regarded as one of today's leading Chinese composers, having won prestigious awards for his concert music and for numerous highly successful film scores. The works on this recording share a deep affection for the beauty and power of nature and landscape in China. *Mount E'mei* eulogises the great spectacle and cultural significance of the mountain, creating a multi-dimensional picture through the use of traditional instruments. *Lamura Cuo* and *The Silence of Mount Minshan* describe mystic atmosphere and melancholy silence, while *Scent of Green Mango* uses vibrant colours and shading to express gratitude for the fruit's refreshing fragrance.
