

Meyerbeer had already won renown in Italy before conquering Paris with a sequence of much-acclaimed grand operas. In a musical climate dominated by Rossini, Meyerbeer's first Italian opera, *Romilda e Costanza*, earned the still-unknown 26-year-old composer the sobriquet of 'the genius of the Spree'. The work is a rescue opera overlaid with a love triangle, which was written for specific performers, and the passionate intensity of feeling – from lyricism to unfettered virtuosity – reflects the *semiseria* nature of the opera. It is performed here in the original version heard at the 1817 premiere.
