HANS VAN MANEN

A FILM BY WILLEM AERTS

JUST DANCE THE STEPS

Just Dance the Steps is a personal portrait of the Dutch choreographer Hans van Manen in the run-up to his 90th birthday. For over five years director Willem Aerts followed and observed this internationally acclaimed master of contemporary ballet during his life and work at Dutch National Ballet in Amsterdam, in the studio or the Ballett am Rhein in Düsseldorf and at Nederlands Dans Theater in The Hague. This powerful tribute and inspirational portrayal looks back at van Manen's remarkable artistic legacy, and documents a life that remains inseparable from dance and choreography.
