

SAINT-SAENS • COMPLETE WORKS FOR PIANO

Marylène Dosse, Pianist With Annie Petit in the 4-Hand Works

"Avoid all exaggerations, the striving for originality is deadly for art...the artist who doesn't feel completely satisfied with elegant lines, well balanced colors, and a beautiful succession of harmonies, does not understand art."

- Camille Saint-Saëns

For sheer talent, Saint-Saëns is only eclipsed by a mere handful of composers. The piano was his first instrument and he composed works for it throughout his long life. The range of style is vast, covering rigorous fugues and flights of fancy with everything in between. The performances on these discs do more than justice to this extraordinary body of work.
