Recorded in 24-bit/96 kHz

The music of **Johan Halvorsen** is one of the best-kept secrets of Norway. Halvorsen was not only an accomplished violinist and conductor, but also among the most prominent Norwegian composers in the generation that followed Edvard Grieg. His compositions develop the national romantic tradition of his friends Grieg and Svendsen, but his style was distinctively his own, marked by brilliant orchestration inspired by the French romantic composers.
