Yuli Turovsky

'Working with the magnificent musicians of I Musici de Montréal was a particular joy for me. They are passionate about music, as is their leader, Yuli Turovsky. Maestro Turovsky really understands my aesthetic. He knows that a work can be both intellectually stimulating and emotionally charged, and this recording is as detailed and intelligent as it is dramatic. Chandos has done a superb job in capturing the ensemble's burnished sound, and I could not be more delighted.'
