In Native American lore the best flute players were known as 'Wind Riders' for their ability to harness the air rushing through their instruments. This special release features the haunting Native American flute in a variety of combinations, including flute with ceremonial percussion, flute with synthesizer, flute with nature sounds. Melodic stories, based on ancient myths.

In den Legenden der amerikanischen Ureinwohner nannte man die besten Flötenspieler 'Windreiter', wegen ihrer Fähigkeit, den Luftstrom durch ihr Instrument zu kontrollieren. Dieses besondere Album präsentiert die eindringlichen Flöten der amerikanischen Indianer in verschiedenen Kombinationen, z.B. Flöte mit zeremoniellen Trommeln, mit Synthesizer oder mit Naturklängen. Klanggeschichten, die auf uralten Mythen basieren.
