Atmospheric and haunting, meditative flute melodies, solo and in duets, in unaccompanied purity or accompanied with drums, rattles, nature sounds (forest, rain, wind, thunder, eagles calling, wolves howling...) or gentle guitars. Relax, close your eyes, let your spirit soar and echo from the stars.

Atmosphärische und verträumt meditative Flötenmelodien, einzeln und in Duetten, in unbegleiteter Reinheit oder begleitet von Trommeln, Rasseln, Naturklängen (Wald, Regen, Wind, Donner, Adler, Wölfe...) oder leiser Gitarre. Entspannen Sie sich, schließen Sie die Augen und lassen Sie ihren Geist ins Universum aufsteigen und von den Sternen widerhallen.
