

# YAMATO ENSEMBLE

## MUSIC OF JAPAN

*The Legacy of Myoonten*

Performing traditional Japanese music on traditional instruments, Yamato Ensemble honours the legacy of Myoonten, the Japanese goddess of music, art, of everything that flows, and “of wonderful sounds”. Yamato Ensemble have been playing together for decades; on this special recording, they perform on *koto*, *shakuhachi*, *jushichigen*, *shakuroku*, and the now-rarely heard *kokyu*.
