

# UMANYANYATHA

## Songs from the Soul of Zimbabwe

### Vusa Mkhaya

Vusa Mkhaya embodies the sound of the eclectic, pulsing, dusty streets of Tshabalala township in Zimbabwe's Bulawayo. *UManyanyatha*, his third solo album, comes from a nickname he was given as a child, which means "he who loves to dance and sing". On this very personal record, Vusa's voice gives flight to childhood memories, sage advice, and messages of peace and unity for the African continent.
