## HOKIN JANAPAR

MUSIC PERFORMED ON ARMENIAN DUDUK

*Hokin Janapar*, meaning 'my soul's journey' in Armenian, is Arsen Petrosyan's nostalgic exploration into music that has stirred his soul, which also reflects the continued odyssey of the Armenian nation. Via the Armenian duduk, he presents a diverse collection of songs spanning different eras and genres within Armenia's historical timeline. The pieces on this album aren't just songs, rather, they are a document of a nation and culture that refuses to die.
