

A la manera artesana presents the comprehensive range of regional styles within the traditional music of Vigüela's homeland Castilla-La Mancha. Focusing on the stylistic approach of 'artisanal creativity', Vigüela bring us repertoire from La Mancha Alta and La Mancha de Vejezate in the form of four dances – *fandango*, *rondeña*, *seguidilla* and *jota* – several a cappella *tonadas* and lively *sones*. Liner notes in English and Spanish. Lyrics available in both languages via the QR code below.
