TERRI KUNDA

GAO HONG & KADIALY KOUYATE

Gao Hong (Chinese pipa master) discovers friendship, creativity and the joy of spontaneity with Kadialy Kouyate and his captivating Senegalese kora. With skilful balance of composition and improvisation, the two instruments and musicians converse through the expression of the strings – exchanging cultural stories, traditions and musical styles.

“Our music will not just be Chinese or Senegalese, it will be a new form of world music that melds styles and sensibilities from two continents.” – Gao Hong
