

PIANO CUBANO

PIANO WORKS BY LECUONA • FARIÑAS • ALÉN

Some of the finest, most stylistically diverse and exciting Cuban piano music can be heard on this recording. Ernesto Lecuona is one of the greatest of all Latin-American composers. *Malagueña*, from the *Suite Andalucía*, is considered the most powerful representation of Spain in Cuban music. Drawing on the Cuban genes of *son* and *canción*, the music of Carlos Fariñas radiates vivid colours, while that of Andrés Alén Rodríguez blends song, *habanera* and jazz influences.
