## NOCTURNES

Award-winning Polish composer, Paweł Łukaszewski, is one of today's most distinctive creators of contemporary sacred music. The *Nocturnes* for piano, based on some of his own sacred pieces, are inspired by the cosmos, with each nocturne named after a newly discovered bright star in constellations including Vela, Scorpius and the Southern Cross. Łukaszewski takes the listener on a journey through the beauty of the night sky with these intimate and atmospheric sound paintings.
