### THE STORY OF SCHUBERT (1797-1828)

#### *DID YOU KNOW...*

Schubert was the greatest composer of German art songs, writing over 600, sometimes several in a single day.

His idol was Beethoven, but his own music was very different.

Schubert never found employment and got by only with help from friends who understood his genius.

Most of his music remained in manuscript until after his death. His greatest works were never played in his lifetime.
