

Miguel de Cervantes

Don Quixote

Read by **Roy McMillan**

An old man, enchanted by tales of knightly courage, puts on his rusty armour and sets out on a quest of his own. For him, the world is filled with giants, knights and a peerless mistress. Others, such as his earthy squire Sancho Panza, see windmills, sheep and vulgar serving girls. But such prosaic interpretations do not satisfy the greatest figure in Western literature: Don Quixote.

Quixote's story – moving, funny and thrilling – embodies the glory and absurdity, vanity and idealism, sorrow and delight of humanity. Cervantes created a hero for all time and for all mankind.

Roy McMillan is a director, writer, actor and abridger. For Naxos AudioBooks he has directed many readings, written podcasts and sleeve notes, and read titles such as *The Body Snatcher* and *Other Stories*, *Bulldog Drummond* and *The Communist Manifesto*.
