

Hugh Griffith

THE GLORY OF  
ANCIENT GREECERead by **Benjamin Soames**

The glory of Ancient Greece is all around us, even in the 21st century, because Greece was the cradle of Western civilisation. We know about the gods and their characters – Zeus, Athene, Apollo, Ares, Aphrodite – and their heroes, both legendary (Heracles) and historical (Alexander the Great). Architecture, mathematics, politics, philosophy, observation of nature and the cosmos and much more emerged in Ancient Greece. Hugh Griffith's entertaining but informative account of the people and the history places it all in perspective. An outstanding introduction for younger listeners.

**Benjamin Soames** trained at LAMDA. He has read *The Tale of Troy*, *The Adventures of Odysseus*, *More Tales from the Greek Legends*, *Great Rulers of Ancient Rome* and *Stories from Shakespeare: The Plantagenets* for Naxos AudioBooks.
