

Jan Morris

HEAVEN'S COMMAND

An Imperial Progress

Read by **Roy McMillan**

The *Pax Britannica* trilogy is Jan Morris's masterly telling of the British Empire from the accession of Queen Victoria to the death of Winston Churchill. It is a towering achievement: informative, accessible, entertaining and written with all her usual bravura. *Heaven's Command*, the first volume, takes us from the crowning of Queen Victoria in 1837 to the Diamond Jubilee in 1897, moving effortlessly across the Empire, from the shores of England to Fiji, Zululand, the Canadian prairies and beyond. Truly gripping history.

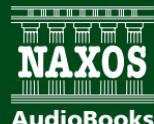

Jan Morris is a leading historian and travel writer. She has spent 10 years working as a foreign correspondent and has written some 40 books of history, travel, biography and fiction, including the *Pax Britannica* trilogy and *Venice*.

Roy McMillan is a director, writer, actor and abridger. For Naxos AudioBooks he has directed many readings, written podcasts and sleeve notes, and read titles such as *The Body Snatcher and Other Stories*, *Bulldog Drummond* and *The Communist Manifesto*.
