

The Life and Works of Franz Liszt

Written and read by **Jeremy Siepmann**
with **Neville Jason** as Liszt

The life of Franz Liszt was as daring and spectacular as his music. Famed throughout Europe as the greatest pianist of the 19th century, he was one of the most original and prophetic composers who ever lived. Beautiful in youth, glowering in age, his high-profile love affairs were the talk of the town wherever he went and his generosity to young musicians was legendary. In this account of his epic life, actors' readings combine with plentiful musical excerpts to paint a living portrait of a highly complex man.

Formerly Head of Music at the BBC World Service, **Jeremy Siepmann** is an internationally known musician, teacher, broadcaster and author. He is the author and presenter of two major series for Naxos: *Classics Explained* and *Life and Works of the Great Composers*.
