

H.P. Lovecraft

The Thing on the Doorstep and Other Stories

Read by **William Roberts**

H.P. Lovecraft never found fame during his lifetime and died in 1937 in relative obscurity. But in the decades that followed his death, his importance as a unique and original visionary in the genre of science fantasy and 'weird fiction' has grown monumentally, so that even talents such as author Stephen King and film-maker John Carpenter have described him as a prime influence upon their creative lives. Here, then, is a selection of his stories.

William Roberts has appeared in *The Young Indiana Jones Chronicles*, *Navy Seals*, *Martin Chuzzlewit* and *A View to Kill*. He has also read *The Fall of the House of Usher and Other Tales*, *Billy Budd* and *The Essential Edgar Allan Poe* for Naxos AudioBooks.
