Fyodor Dostoyevsky is a titanic figure among the world's great authors, and *The Brothers Karamazov* is often hailed as his finest novel. A masterpiece on many levels, it transcends the boundaries of a gripping murder mystery to become a moving account of the battle between love and hate, faith and despair, compassion and cruelty, good and evil.

Translated by Constance Garnett

**Constantine Gregory** is an actor, dialogue coach and 'voice'. Constantine has more than 30 years' experience in all these capacities on international projects with many major film directors and stars from Danny Boyle to Terry Gilliam and with actors such as Anthony Hopkins, Nicole Kidman, George Clooney and many, many others.

With Edmund Caldecott, Constantine runs the website *Spoken Ink*, for which he has recorded a number of short stories himself.
