

**Bertrand Russell**

# A HISTORY OF Western Philosophy

Read by **Jonathan Keeble**

**NAXOS**  
AudioBooks

**NON-  
FICTION**  
**UNABRIDGED**

Bertrand Russell's *A History of Western Philosophy* serves as the perfect introduction to its subject.

Charting philosophy's course from the pre-Socratics up to the early twentieth century, Russell relates each philosopher and school to their respective historical and cultural contexts, providing erudite commentary throughout his invaluable survey.

This engaging and comprehensive work has done much to educate and inform generations of general readers; it is written in accessible and elegantly crafted prose and allows for an easy grasp of complex ideas.

**Jonathan Keeble** combines his audio work with a busy theatre and TV career. He has featured in over 600 radio plays for the BBC, appearing in everything from Shakespeare and Sherlock Holmes to *Doctor Who* and *The Archers*, in which he played the evil Owen. His voice work is much in demand and ranges from the audio guide for the Sistine Chapel to voicing the Angel of Death in the film *Hellboy II*, with stops at all points in between. An award-winning reader, Jonathan has recorded over 200 audiobooks.
