THE TALE of TROY

Read by **Benjamin Soames**

There was once a time, nearly four thousand years ago, when the tall towers of a city called Troy reached gleaming into the sky; when its proud king fought against an invading army in a desperate siege. The story of Troy was so important to the ancient Greeks that its author, Homer, became a kind of hero. Long after his death artists, thinkers and ordinary people still look to his tale for inspiration. This exciting version of the famous story is retold especially for 8-13-year-olds.

Benjamin Soames trained at LAMDA. He has read *The Glory of Ancient Greece*, *The Adventures of Odysseus*, *More Tales from the Greek Legends*, *Great Rulers of Ancient Rome* and *Stories from Shakespeare: The Plantagenets* for Naxos AudioBooks.
