# Samuel Beckett Waiting for Godot

There is now no doubt that not only is *Waiting for Godot* the outstanding play of the 20th century, but it is also Samuel Beckett's masterpiece. Yet it is both a popular text to be studied at school and an enigma. The scene is a country road. There is a solitary tree. It is evening. Two tramp-like figures, Vladimir and Estragon, exchange words. Pull off boots. Munch a root vegetable. Two other curious characters enter. And a boy. Time passes. It is all strange yet familiar. *Waiting for Godot* casts its spell as powerfully in this audiobook recording as it does on stage.

## CAST
