## WHAT KATY DID

Read by **Laurel Lefkow**

Meet Katy Carr. She's impulsive, gangly, adventurous, awkward and brave; she loves clambering over fences, sitting on roofs, making up games or going for picnics with her five brothers and sisters (much to the horror of her Aunt Izzie).

But when she falls from a swing, she suddenly has to cope with being stuck indoors – maybe for ever...

*What Katy Did* is fresh, lively, funny and moving; and Katy herself is a warm and loving character that readers have taken to their hearts for over a hundred and thirty years.

**Laurel Lefkow** is an accomplished stage, television and radio actress. She was born in Washington DC and grew up in India, Kenya and France where her father worked as an American Diplomat. She trained at the Webber Douglas Academy in London. Laurel also has an extensive and successful career as a voice-over artist in many well known cartoons and advertising campaigns. She has also read *Pollyanna* for Naxos AudioBooks.
