# Dragon Tales

THE RELUCTANT DRAGON • THE ISLAND OF THE NINE WHIRLPOOLS

THE FIERY DRAGON • THE LAST OF THE DRAGONS

Read by **Bertie Carvel** and **Emma Gregory**

Tradition says that dragons come in many shapes and sizes but they all breathe fire, whisk fierce, scaly tails and frighten the local villagers.

Whenever they can, they capture princesses and take them to their caves. But this is not always the case. In these four delightful stories, Kenneth Grahame and Edith Nesbit introduce some very different kinds of dragons. One, for example, just wants to sit quietly in his cave and write poetry and really doesn't want to fight St George; in another story, the princess is more strong-minded than the dragon! So prepare to be surprised by the dragons you meet on this recording!
