

Mary Shelley

# Frankenstein

Read by **Daniel Philpott, Jonathan Oliver and Chris Larkin**

The gothic tale of *Frankenstein* and his construction of a human being who runs amok has, with the help of numerous films, become one of the most vivid of horror stories. But Mary Shelley's original novel, written in 1816, dealt more sympathetically with 'the daemon', showing how an initially kindly creature is hammered into a daemon by the way he is treated. Her ideas, and her dramatic but poignant story, is brought to life in this audiobook, which comes with CD-ROM notes.

## Bonus CD-ROM – A Study Guide

**What makes the characters tick?  
What are the key themes?**

- Top teacher Francis Gilbert gives you the notes and the quotes you need.
- Full text and abridged text included.

Listen to a leading actor read a condensed version of the book and further your understanding with our study guide.
