

Sir Arthur Conan Doyle The Poison Belt

Read by **Glen McCready**

The world is on the brink of disaster: a cloud of poison is soon to envelop the planet, killing all mankind with it. There seems to be no way anyone can escape. But Professor Challenger is not one to let an approaching apocalypse stifle him. Calling together his three friends from their earlier adventure in *The Lost World*, he sets about ensuring that they can survive. But will it be enough?

In the tradition of H.G. Wells, *The Poison Belt* is a significant book in British science fiction history. It is also a fast-paced adventure story that is disarmingly touching.

Glen McCready trained at The Webber Douglas Academy. His stage credits include Oberon in *A Midsummer Night's Dream*, Son in *A Voyage Round My Father* and Walter Langer in *Five Finger Exercise*. He has narrated numerous audiobooks including *The Woman in White*, *The Children of the New Forest*, *The Visible World* and *The Lost World* for Naxos AudioBooks.
