Barcelona

Benet Casablancas is widely acclaimed as one of the leading Spanish composers of his generation, and his first opera, *L'enigma di Lea*, is the fruit of his close collaboration with award-winning writer Rafael Argullol. Reality and myth intertwine and become one in this story of love, grief and passion, as Lea wanders through time and space, a castaway of existence, and the bearer of immortality and a secret that cannot be revealed. The winner of several awards, *L'enigma di Lea* was declared 'a roaring theatrical success... beautifully staged and exquisitely sung' by Barcelona Metropolitan.
