

Richard Wagner
BAYREUTHER FESTSPIELE

Lohengrin

RICHARD WAGNER 1813-1883.

'Great Wagner performances such as this give the sensation of looking down at the world from a sadly omniscient height.... Vogt...gave a dreamlike performance.... Dasch...was sweetly impassioned throughout. Petra Lang was a properly searing Ortrud.... Andris Nelsons... conducted *Lohengrin* with blazing intensity.'

Alex Ross, THE NEW YORKER
