

OTTO OLSSON

Credo Symphonicum and other organ works

performed by Erik Lundkvist

at the organ in the Gustaf Vasa Church, Stockholm

It may just be that the "Credo Symphonicum" is as delectable to hear as it is for Lundkvist to play. His technical endowments are huge and his instinct for Olsson's particular patois is unsurpassed. Fanfare, 1981

proprius

PRCD 9025
