(Text Ylva Eggerhorn)

The digital recording took place on June 14-15 1990, in the Linköping Cathedral. Recording and editing by Bertil Gripe who used an AKG C 422 stereo microphone connected to a Foster D-20 DAT recorder via Analogix microphone amplifier/MS-matrix and SAM 82-mixer. "Lilla orgelboken" is recorded at the choir organ, the others at the main organ. The editing was made on a Studer Dyaxis-system. Loudspeakers: Audio Pro A4-14. Manufacturing: CD-Plant, Malmö. Translation: Skans Victoria Airey. Front cover photo: Arne Gustafsson, Studio Östgöta-Bild. Printed by SIB-Tryck. Production: Jacob Boëthius
