

Stockholms  
Studentsångare

» Few festivals are as rich in music as Christmas, and the Christmas message of peace and goodwill is always relevant. We present to you some of our best loved classical carols and lesser known songs that are part of our Christmas tradition as a choir. We sincerely hope that our music will become a popular aspect of your own traditions too. <<

# Julens ljus

*The Light of Christmas*

Stockholms Studentsångare ♦ Karin Oldgren  
Gunilla Backman, sopran ♦ Johan Lindström, orgel
