

The Nutcracker

Tchaikovsky

OPUS
ARTE

A festive classic, including some of Tchaikovsky's – and indeed, the classical ballet canon's – most instantly recognisable tunes, Peter Wright's production of *The Nutcracker* has been enchanting children and adults alike since its first performance by The Royal Ballet in 1984. Julia Trevelyan Oman's designs bring the story wonderfully to life, from the 19th-century German home of the Stahlbaums – which features a Christmas tree that transforms beyond one's imagination – to the Kingdom of Sweets, where everything is sugar and sparkle.
