The acclaimed conductor and composer Salvador Brotons is renowned for his music for symphonic band. It was *Rebroll* (Rebirth), a symphonic poem in one movement inspired by contemporary events, which first earned him international recognition, and is performed worldwide. *Symphony No. 6 'Concise'* charts a dramatic course between rhythmic dynamism, ceremonial grandeur and lyrical intimacy. *Glosa de l'Emigrant* is a nostalgic song cast as a *sardana*, the national dance of Catalonia, and features the beautiful sound of the *tenora*, a Catalan folk instrument. Brotons' *Symphony No. 5* and his *Oboe Concerto* can be heard on 8.573163.
